Alan,

This is the information I have: A state tax lien was entered in the Dade County Circuit Court against Zurcaled Intl'l Inc., 5025 Collins Ave, #2008, Miami, Florida on May 24, 2000, # 00R249456, in the amount of \$218. Another state tax lien was filed on June 21, 2001, # B19734P3381 in the amount of \$410, same debtor, same court.

Leslie, we have no info on the liens. Please provide me with the details so we can track it down i.e. what state, ss#, etc. There are others with the same name that in the past, has caused some confusion. Thanks.

Alan,

I received Kreller's report on Zurcaled International and Ernesto. A couple of things. The report shows Nicholas F. Constantino as Zurcaled's Treasurer. If this is accurate, Mr. Constantino needs to complete the Personal History Questionnaire form that Mr. De La Cruz filled out. Also, the report shows Zurcaled as the debtor of two state tax liens in the amount of \$218 (5/24/00) and \$410 (6/21/01). Please have Mr. De La Cruz provide an explanation as to the liens. Finally, when did Mr. De La Cruz work for Gtech? Was it as an employee or independent consultant? What were his responsibilities?

If you have any questions, please call me.

Once I have this information, Compliance Committee approval should (or so I anticipate) be forthcoming.

Thank you.
